SUMMARY

I am a motivated Information Science student with strong leadership and collaboration skills, combining retail experience with hands-on web development projects. I am skilled in building responsive websites, interactive games, and AI-driven applications. Passionate about accessibility, brand-aligned design, and problem-solving through code.

EXPERIENCE

05/2025 – 07/2025
WEB DEVELOPMENT — USF CAREER ACCELERATOR

- Developed 8 interactive projects using HTML, CSS, JavaScript, Bootstrap, APIs, and GitHub Pages.
- Built a portfolio site to showcase work: laron236.github.io/01-prj-personal-site
- Notable projects include:
- **Intel Sustainability Timeline**: Interactive, responsive web timeline with accessibility features.
- **Charity: Water Game**: Designed and programmed a whack-a-mole–style educational game with milestones, sounds, and brand messaging.
- **NASA Space Explorer**: Dynamic gallery app integrating NASA's APOD API, handling images and videos.
- **L'Oréal Chatbot**: Custom-branded AI chatbot using OpenAI's API and Cloudflare Worker for secure, contextual interaction.

04/2022 – CURRENT
RETAIL SALES ASSOCIATE/CASHIER, BATH & BODY WORKS

- Meet and exceed sales goals by engaging customers, identifying needs, and making product recommendations.
- Build a loyal customer base through effective sales conversion and capturing customer information.
- Assist with product replenishment, floorset execution, and visual presentation to maintain a vibrant store environment.
- Thrive in a fast-paced environment, demonstrating strong communication skills and openness to feedback.

07/2021 – 08/2021
OVERNIGHT STOCK ASSOCIATE, WALMART

- Unloaded and organized merchandise from delivery trucks, ensuring efficient stocking and aisle maintenance.

- Used dollies and pallet jacks to unload and organize merchandise from delivery trucks.
- Provided excellent customer service by quickly locating items and maintaining a clean shopping environment.
- • Adhered to safety protocols to prevent accidents and minimize product damage.

08/2018 – 05/2019
STAFF ASSISTANT, R&L LIBERTY ENTERPRISE, LLC
- Contributed to the review and revision of the US Employee Handbook and policy evaluation processes.
- Assisted in the development of internship programs and corporate relocation guidelines.
- Supported various administrative tasks to enhance organizational efficiency.

06/2018 – 07/2018
SUMMER CAMP TEACHERS ASSISTANT, LIVING FAMILY LLC
- Collaborated with teachers to create and implement weekly lesson plans.
- Compiled daily child reports and assisted with childcare support inventory management.

MAY 2026
B.S. INFORMATION SCIENCE, UNIVERSITY OF SOUTH FLORIDA

JUN 2024
A.A. IN ENGINEERING, HILLSBOROUGH COMMUNITY COLLEGE

MAY 2020 – DEC 2021
FLORIDA ATLANTIC UNIVERSITY (FAU)

MAY 2020
EAST BAY HIGHSCHOOL
- Science National Honor Society
- Avid (was in Avid for 4 years)
- National Technical Honor Society
- Honors (graduated with honors)

PROJECTS

MAY 2025 – JUL 2025
PORTFOLIO WEBSITE — CREATED A SINGLE-PAGE SITE WITH NAVIGATION, ICONS, AND CLEAN HTML/CSS LAYOUT.
INTEL TIMELINE PROJECT — BUILT RESPONSIVE LAYOUT WITH HORIZONTAL/VERTICAL SCROLL, HOVER INTERACTIONS, AND FLEXBOX.
INTEL LOCALIZATION — ENHANCED THE INTEL PAGE WITH BOOTSTRAP, RTL LAYOUT, NEWSLETTER FORM, AND ACCESSIBILITY UPGRADES.
CHARITY: WATER GAME — CONCEPTED, PROTOTYPED, AND COMPLETED A FULL WEB GAME (WATER QUEST) WITH BRANDING, SCORING LOGIC, MILESTONE TRACKING, AND AUDIO.
NASA SPACE EXPLORER APP — INTEGRATED NASA'S APOD API, HANDLING DYNAMIC

CONTENT, MODALS, AND RESPONSIVE DESIGN.
L'ORÉAL CHATBOT — BUILT A SECURE, BRANDED CHATBOT USING OPENAI AND CLOUDFLARE WORKER, SUPPORTING PERSONALIZED BEAUTY RECOMMENDATIONS.

SKILLS

- **Technical Skills:**
- HTML, CSS, JavaScript
- Responsive Web Design (Flexbox, Bootstrap)
- API Integration (NASA, OpenAI)
- GitHub Pages & Version Control (Git)
- Game Design (DOM manipulation, timers, scoring)
- Accessibility Best Practices
- Modal & Component Design
- Cloudflare Worker for secure API use

- **Soft Skills:**
- Quick Learner
- Team Player
- Problem Solver
- Strong Communicator
- Curious & Self-Motivated
- Great listener with positive attitude
- Customer service & multitasking expertise

- **Certifications:**
- Microsoft Word & PowerPoint
- **Web Development (Intel)** — Building a website using AI
- **AI-Powered JavaScript (L'Oréal)** — Developing an app and OpenAI Chatbot
- **Intercultural Skills (UNESCO)** — Collaborating with a diverse and global team
- **AI Professional Skills (OpenAI)** — Applying AI to real-world projects
